THE SPECTRUM

NORTH CENTRAL COLLEGE
NAPERVILLE, ILLINOIS

Dedication

It is not easy to give a concise appraisal of a gentleman who in two short years has made as many admiring friends at N.C.C. as there are faculty members and students. However, superb coaching ability, warm friendliness toward every student, keen sense of humor, and an invincible school spirit, are but a few attributes that point to a "regular fellow".

The class of 1948 respectfully dedicates this year's Spectrum to one of N. C. C.'s favorite alumni, Coach Herb Heilman.

Foreword

Out of the depths of past remembrances echoes the Spectrum with its choice records and fond memories. The records may be of North Centrals remarkable progress, of athletic achievement, of forensic activities and of honors made. The memories may be of happy times, of hours hard spent and friendships formed. Without the Spectrum these impressions would soon fade and die. We have faithfully set down for you a resume of the happenings of the past year, realizing always the futility of our task, that is, to encompass in a book of comparatively few pages the many activities of North Central College. And if, in the years to come, our work in its suggestive compactness is able to argument your memory and bring back to you the year's picture in its entirety, we will feel amply repaid for our work.

Class of '48

Throughout four years of joy . . . and, at times, sadness . . . the class of '48 has carried on. It all began in the fall of '44 when the charter members first darkened the doors of N.C.C. During the first semester they carried on in the traditional style of green caps, tug-of-war, and left side chapel seats.

In reminiscing, loyal '48 'ers will never forget that during their sojourn as Sophs they were daring enough to paint the trees and decorate the memorial rock with '48 and then gracefully acquiesce to the ultimatum of 'remove or else—' with a social free for all. In their junior year they were dauntless enough to climb to the top of Old Main and raise their red and grey numerals to the highest peak, where none but the geniusses who fastened it there could remove it. Nor will any of the class forget the banquet for the seniors at Itasca country club . . . a revolutionary event from the informal garb to the fashion parody.

Highlights of the final year were Senior Skip Day with food and fun at Lake Geneva, royal entertainment by the Juniors at the Oak Park Arms and a gala college day. The class carried on during the senior year under the officers headed by Eggert Giere President and Dr. Erffmeyer, advisor. With the firm conviction that the school will probably go to rack and ruin, the class of '48 bids a sad farewell.

Class of '49

With almost three laps of our college mile completed, the class of 1949 are making rapid strides toward our goal. They have the distinction of being friendly, the spirit of co-operation among the members and perseverance and pep have not been lacking.

As Freshmen we were pulled through the roaring DuPage River by the lordly Sophs ourselves, we were pulled again through the mud and water again by the lowly Frosh. Two such defeats might discourage an ordinary class but not ours. We accepted this defeat with a smile and proceeded to make up for lost time.

Taking a cross-section of student life on campus, one finds that juniors are represented in all activities: athletics, clubs and organizations, debate, music, and all other campus groups.

There can be no doubt as to the success of this class as they enter the sacred portals vacated by the illustrious class of 1948.

We, too, make our bid for distinction. We have power: witness the two victories in the tug of war, the traditional underclass battle, where the present juniors and freshmen suffered muddy clothes and injured pride. We have size. Aren't we the largest aggregation ever to sit in a North Central Chapel? Weren't we the largest entering class in the history of the school? We have ability. Sophomores play on all the varsity athletic teams. Every campus organization is fortunate to have our class members as their own members. The Sophomore talent show was a success. We have looks. The girls of the class of '50 are the best looking in school this year. We have ideals. We intend to continue our work at college to make our class the most outstanding in the history of the school. The juniors will get the feast of their lives next year when we offer them the banquet that is customary. Perhaps they will be able to lose sight of that terrific defeat we gave them on the banks of the old DuPage.

There we were, just freshmen out of the DuPage fighting our hardest we gave the sophs a battle. Ours was spirit unequalled. The cheer from the middle of the river served ample proof. But we lost and so spent several weeks dressing our blistered hands and wounded pride. This defeat might have stopped some classes, but not ours. We can't equal the record in bulk that last year's frosh set up. We fell short by several students. But the quality of our class soon made itself known. We contributed lettermen to the football and basketball squad. So altogether we have made an enviable record for future classes to shoot at.

The frosh put out all they can to make a contribution to the history of North Central's campus. Of course they have only started their college careers and much more can be expected of us as time goes on. With a start like this, how can we go wrong?

Student Council

Democracy has not perished from the face of the earth, and shall not at North Central College as long as the Student Council exists. After the transitional ceremony last year, the Council took over the job of being the vehicle of student government and the central unifying body of all college activity. The newly-elected members looked forward to a busy year, and were not in the least disappointed. A brief review of some of the highlights of the year's activities will give ample proof of that fact: Floats for the homecoming parade, supervision of the sale of green hats, Homecoming and College day all took thought, discussion, time and energy. In order

to acquaint the students with the workings of the council, a booklet was distributed to all who wished a copy. It contained the constitution and an explanation of the various phases of the work and relationships of the organization. This year's council has tried to act in the best interest of the organizations which it represents, and to bring into being such changes as student opinion warrants: these are the functions of the Student Council. As this year's members close their period of service and turn the records over to a new council they hope that the new members will be able to do even more for their college.

STUDENT FINANCE

No organization in school has such lavish funds as the Student Finance Board. But, no campus Club has as many places to put its money as the finance committee. The money which it gets from the student activity fees calls for wise budgeting and careful cornerturning if every organization is going to recieve adequate funds. Some of the activities which recieve appropriations are: athletics, forensic lectures, and concerts, musical and dramatic organizations, Student Council, The College Chronicle, Spectrum, Cardinal, all-college social committee, and the four college classes.

STUDENT UNION

"You've got it! Now treat it right!" If the Student Union Board of Control were out motto hunting, it undoubtly would select the "You've got it!" Now treat it right" slogan. This board exists for the purpose of seeing to it that no student violates the rules which have been set up for the student union room. The big and successful campaign for "Union Now" gave the campus the splendid lounge and recreation room. The board of control is determined that those beautiful rooms will be treated with the proper respect because students worked so hard to secure them for the campus.

C. Y. F.

The Campus Youth Fellowship is a group, whose existence is scarcely known to some but which is of great importance to the campus . . . for it is the members of the C.Y.F. Council who plan the Student Sunday School and the evening programs. In addition to the officers and the advisor, Professor Himmel, there are student chairmen and faculty advisors for each of the four commissions on Spiritual Life Missions, Social Action and recreation.

FORENSIC

The Forensic Board is the controlling board for all speech activities on the campus. Its officers are elected in the annual spring elections by the entire student body. The duties of this organization are to finance the Forensic program, form regular intercollegiate debates, sponsor speaking contests, and to act as a board of speech control for all other speech activities.

SEAGER ASSOCIATION

"Preachers they will be" . . . for every member of the Seager Association is a Pre-theological student. The group meets twice a month in Seybert Hall to discuss the problems of the 'pre-the'. Usually this is done through a round table discussion with occasional outside speakers. Professor Himmel serves as the faculty advisor.

STUDENT VOLUNTEERS

The common interest of this group, who plan on either missionary or religious education for a life work, is missions. The North Central group is a part of an international organization of college students. This division meets for a period of discussion preceded by devotions.

The Y's at Work

The Christian associations are made up of the Young Women's Christian Association and the Young Men's Christian Association board, composed of cabinet members of the two organizations, is called "Central Committee," and it is through the Central Committee that much of the work of the two organizations is carried on.

Each "Y" starts the year with help to the freshmen in getting located at their new college home by providing big sisters and big brothers for all new students. Formal banquets climax the big sister and big brother activities at the end of the first week. A general get-together all college party is sponsored also during the first week of school in order to give the various classes a chance to meet the students they do not know in the various classes.

The Y's sponsor services in Smith Hall, silent chapel every Tuesday morning, religious emphasis week, christian living week, WSSF drive and other religious activities. They provide Sunday School teachers to go to Mooseheart, Illinois every Sunday morning to help conduct services at that place. They have been helpful in guiding new students Scholastically, Socially, and Religiously and they are always there when help is needed. To everyone who is on the committees of the Y.W.C.A. and Y.M.C.A. we say congrats for a job well done.

Through an oversight of the editor the picture of the YWCA was not taken and she is sorry for this unpardonable mistake.

VETERAN'S CLUB

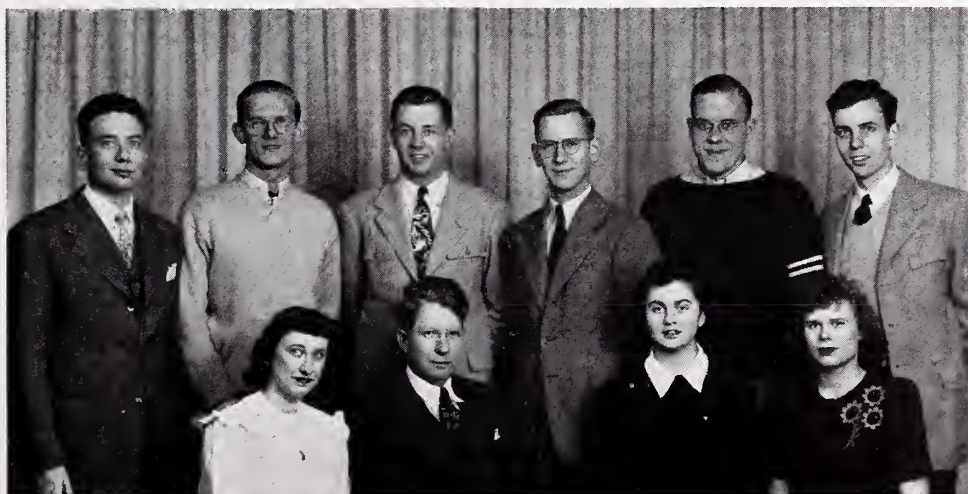

The Club has a three-fold purpose: first, to promote ideals and uphold the traditions of the college and the veterans; second, to form a closer fellowship between veterans at North Central and other veteran organizations; and third, to aid the veteran academically and socially. Some of the problems that this club helps to solve are getting apartments for vets, and helping to get back checks which in itself is very important.

HONOR SOCIETY

The Honor Society was established at N.C.C. in 1939 to recognize superior scholarship and character among students. Seniors and Second semester Juniors are eligible for election if they have a grade index of 2.5. Members must have shown well-developed ideals of honor, integrity and citizenship. Membership keys are presented to all students on election.

Social Committee

The Social Committee is composed of students who have a sincere interest in the betterment of N.C.C.'s social program. This committee is the backbone of all the social events.

Assembled in easy chairs of the parlors, the committee and Chairman discuss the next social affair. The occasion is very informal. Everyone is ready to "Shove" the suggestion that "he take charge of this party" off to somebody else. But everyone ends up doing his share, and the result is usually very satisfactory.

Some of the events sponsored by this group

were roller-skating parties that were this year divided into two sections to "give everyone a chance". One of the largest parties of the year was the county fair at which both students and faculty "let down their hair" and really had a wonderful time, as one does at a typically old-fashioned Fair, complete with booths, plenty of popcorn and ice-cream. Sadie Hawkins day also proved the track ability of many of N.C.C.'s co-eds. Mary Lee Simpson and Jim Wolf were elected Daisy Mae and 'Lil Abner. Hats off to a group who did one swell job!

History Club

History, to many people, is dry and uninteresting, but not so to the members of the History Club. To them it is more than a record of past events, names and dates, because in reality it is a living subject that changes the form of its life every day. With this in mind, the History Club program this year has laid a strong emphasis upon the current events of the day, with special programs on those that seem to have a lasting historical importance.

Records show that the History Club has been active on the Campus continuously since 1922. The present club is larger, has shown more

enthusiasm and interest, than ever before. Under the hands of capable leaders, our program has been enlarged considerably. All types of history has been discussed, Ancient, Modern, American, European have been discussed at the nine monthly meetings. Drawing upon the faculty of N.C.C. and other colleges and universities. Several Social evenings were arranged, one of these being a spring party in the home of the club's advisor, Dr. McClure.

The officers of the past year who worked with Dr. McClure were John Hafenrichter president, Don Miller vice-president and Lois Harshman secretary-treasurer.

French Club

Bonjour! . . . Comment ca va? Bien Merci . . . These and many others are familiar echoes at the meetings of the Cercle Francais. Mill. Cole acted as advisor during the illness of Mille. Sicre at the opening of the year, and together with the officers Marilyn Eckhart, president: Clyde Netzley, vice-president, and Dottie Eigenbrod, began the program for the year.

A real relief program was carried out, for the Cercle Francais adopted Suzanne King, an eight year old Belgium girl, and Renee Faure, a blind

veteran now studying at Lyon. They faithfully sent packages of food and clothing to them during the entire year.

Beside this year-long project the club held meetings to collect the relief supplies and to furnish the students an opportunity to practice their linguistic abilities.

Mille. Sicre returned to assume her advisor's role in time for an elegant Joyeaux Noel Party. With an orchestra and refreshments, plus a real French atmosphere, the party was a highlight on the calendar of the French Club.

Commerce Club

With years of social and intellectual experience behind it, the Commerce Club of North Central College has a record to be proud of. It has increased in size every year, and has succeeded in bringing before its members speakers of high caliber from the business world. Through such speakers, problems and questions of interest are brought to the attention of the members who some day themselves will be faced with like subjects. To the club are presented talks of commercial value, such as the problems of personnel, vocational choice and guidance, and modern management.

The purpose of this organization, as stated in its constitution, is both social and intellectual and consists of social parties as well as meetings of intellectual value. The meetings of the Club are

planned by its officers and advisor Prof. Kerr, who prepare one meeting a month. Many special meetings are held throughout the school year as special speakers are obtained.

A Student, to become a member of the Commerce Club, must have at least six semester Commerce Courses. The club as a whole usually caters to those majoring in commerce and to those who are interested in furthering the main purpose of the club. Initiations are held twice a year, and how well are the initiated members recognized on the campus during their tests. This club is recognized as one of the most popular departmental organizations of the college, and has successfully succeeded in forming a commercial organization of students interested in current business problems.

Home Ec. Club

The purpose of the Home Economic's Club is to develop a greater professional interest in home economics work and to create better socialability among the members. The meetings are held the first Monday of each month at Johnson Cottage. Topics discussed at the meetings include home decorations, good grooming, nutrition and other related subjects. Delegates were sent to

the Illinois State and Seventh Province convention. The officers for the year were: Naomi Wacknitz president; Wanda Pyle vice-president; Ruth Larson secretary; and Harriet Marnholtz treasurer, Carrol Simmons chairman of the publicity committee had as her helpers Jeanne Horgan, Carol Passow and Eileen Bertz. Miss Quilling and Miss Keitzman are the advisors.

Dormless Damsels

This organization is composed of girls living in private homes or commuting to college from out-of-town. Its main purpose is to afford some of the social life through dormless existence.

After electing the officers early in the fall, the girls co-operate in decorating a float for the Homecoming Parade. At Christmas time, all the club members worked together in decorating the Union Room with a tree and fire place and other festive ornaments. At the monthly meetings the girls have entertainment and discussion periods and frequently refreshments are served.

Chronicle Staff...

DON TOMPKINS

WARD LARSON

Chronicle

The College Chronicle of "48" took a big step forward under the leadership of editor-in-chief Ward Larson. Throughout the year the Chronicle office hummed with activity. Activity, we may add, not always related directly with the publishing of a newspaper. Here in the crowded basement room of Old Main gathered the various wits on campus to swap ideas concerning journalism and many other things.

Let us look in upon a typical scene. In one corner of the office, behind a stack of order blanks, we find Don Tompkins, publisher of the Chronicle, either checking accounts or grinding out a Spanish Lesson. An efficient looking fellow dashes in and we recognize Verne Martin, the advertising manager, busily planning new campaigns.

All of this time there has been a great commotion over near the safe and as the dust settles we see Joe Miller, a sports editor, and

Faye Philipp, social Chronicler both attempting to type their columns on the one good machine. Relaxing on the vacant table we find Kel Arden, managing editor blissfully oblivious to the bedlam about him as he ponders upon his next column. A cheerful redheaded chap comes in, looks through the copy basket, and assumes a more serious expression. This is Lee Ester, diligent news editor.

But these are but a few of the more permanent fixtures of the Chronicle office. On Mondays before the ever looming deadline the copy flies as Evelyn Peterson and her re-writers get to work. And then on those hectic Wednesday mornings the place is taken over by Bill Seiser's circulation crew.

All in all, the Chronicle has done a splendid job of representing NCC this year. Special credit is due to Professor Eastman for the excellent constructive criticism and suggestions he gave the paper as editorial advisor.

Spectrum

Another year, another Spectrum, and we sincerely hope you enjoy reading it as much as we the publishing and editorial staff have enjoyed working on it. -

Financing the yearbook is not an easy task, but the staff worked hard and the results were better than expected. Advertising, always difficult to obtain, was well taken care of. The organization deserves a vote of thanks for their co-operation both as to pictures and finances. Professor Kerr must come in for a bit of credit for his advice and help. Thanks to Rosemay Rechenmacher, Carol

Schauer, Janet Daw, Nancy Tompkins, Dick Harrison, Florence Perry and B. J. Heuser.

It takes more than one person to build an annual. This year's Spectrum is no exception. The book represents the time and talents of many individuals. I am glad to take this opportunity to thank those who have co-operated with me. This year's staff was one of the smallest in the history of the publication and for that reason deserves all the more credit. I am especially indebted to Alice Holmes for valuable assistance in compiling the 1948 SPECTRUM

Publications Board

This Board doesn't meet often, but its role is a continuous one of ironing out publication problems. The faculty advisors are interested primarily in seeing to it that the chiefs of campus publications do their job while staying within their budget! That sounds simple, but it isn't. Budgets are so unpredictable, editors and business managers can so easily become negligent. So, the advisors help keep them on their toes. The business managers have to persuade people to buy ads and to discourage editors from getting fantastic and expensive ideas. The editors merely spent their time trying to keep up with their school work and still turn out acceptable publications.

Zoology Club

The Zoology Club provides an informal, personalized opportunity of making additional studies into subjects of a zoological nature, and related fields. The club had its inception in 1927, and has maintained a fine membership and interest through each succeeding year. Membership is open to all students who are interested in the biological sciences. The objective is to keep zoology students informed on current developments in this field. The regular attendance of the more than one hundred students proves this point. A typical

meeting includes the discussion of current news items of biological interest and usually the presentation of a paper prepared by one of the students on some phase of the science of life. Zoo Club has its social side too. Ah! But that too is different! Spaghetti banquets on the Laboratory tops, Cheese banquets, trips to the city to visit the field museum and brookfield zoo. The club is sponsored by Beta Beta Beta and its competent and enthusiastic Advisors are Dr. Eigenbrodt and Dr. Keck, a new member of the faculty.

S. A. A. C. S.

The Student Affiliates of the American Chemical Society is comparatively new at North Central, having been organized in 1942. At the time, it was the lone representative of its kind in the state of Illinois, but since then one other group has been organized. At present there are twenty-five members, all of whom are chemistry majors . . . one of the requirements laid down by the American Chemical Society. In addition to being a chemistry major, a student must have

completed two semesters of college chemistry to be eligible for membership.

The purpose of the group is to create interest in chemistry and to prepare the student for full membership in the American Chemical Society. The organization at North Central meets twice each month for panel discussions, movies, or special speakers. Professors Koten and Schap are the advisors.

Beta Beta Beta

Walk up to Mr. or Miss Average College student and say "Batanos, Boudetose, Boax" You will get a dirty look!

Tap ye ordinary student on the shoulder and say "Beta, Beta, Beta!" You will get a skeptical look!

Approach one of the outstanding students of the biological science department, say those same words and you will receive a smile of recognition. Instead of looking perplexed when you say "Batanos, Boudetose, Boax," that "best of biologists" will echo in your ear, "An acorn, a little bird, a fish!" The words Beta Beta Beta

will bring the reply, "Life on the ground, in the air, and in the water."

This is the basic purpose of the organization but to the onlookers it is to stimulate sound scholarship, to disseminate scientific knowledge and promote biological knowledge. That will naturally lead to a discussion of the bi-monthly meetings which sparkle with enthusiasm for the latest medical discoveries and achievements. Beta Beta Beta is Music to the ears of biological students who were selected for membership on the basis of their general scholarship and specific ability in this field. Beta Beta Beta is North Central's society for those who regard a study of organic life as one of the most vital and interesting studies known.

Sigma Tau Delta

Sigma Tau Delta is the honorary English Fraternity. The North Central Chapter, Sigma Gamma, was installed in 1932. Membership is limited to those students who are majoring in English, whose scholarship is in the upper third of their class, and to those graduates who are actively engaged in teaching English or in literary productions.

Monthly meetings are held to work on literary pieces and to criticize the same for the benefits of all members. Reports and original manuscripts

are written and presented at these meetings. Outstanding compositions are sent to the Rectangle, the fraternity magazine, for publication.

The success of this organization is directly due to the able directorship of the advisor, Miss Wiley and the presidency of Phyllis Eckardt. To them, we say Hats Off for the advice, criticism and loyalty to the organization which has built up a strong, active club and has increased the awareness of the rest of the school of the importance of English.

Gamma Mu

The national Social Science Honorary Fraternity, Pi Gamma Mu has been active since 1925 when the national organization was founded. Membership is limited to juniors and seniors who have at least twenty hours in the social sciences and who have at least an average grade of "B". One other qualification for membership exists, that these chosen shall be capable of doing independent research in the field of social sciences. The field of social sciences includes the departments of history, psychology, philosophy, economics, political sciences and sociology.

Pi Gamma Mu in the social sciences is comparable to Phi Beta Kappa in the field of literary studies and to Sigma Xi. in the field of natural sciences.

It is not merely an honorary society but pro-

motes an active program each year affecting not only its members but the society as a whole. It is the purpose of Pi Gamma Mu to glorify its own members but to promote the scientific study of social problems.

The entire program of the organization may be summed up in the words of the society's motto, "Ye shall know the truth and the truth shall make you free." This past year the formal spring banquet was the highlight of the season, but during January a pot-luck dinner for the members was given in the Student Union, and also we can not forget the chapel program on Russo-American relations was presented by the students of Pi Gamma Mu.

The officers for the past year were Ward Larson, president; Don Kurtz, vice-president and Dr. H. Deabler Secretary-treasurer.

Alpha Psi Omega

The North Central Chapter of Alpha Psi Omega is Delta Epsilon. It is composed of students who have an active interest in Dramatics. When a student has proved himself worthy of consideration, he is invited to consider membership. Each member then, must be in at least three one-act plays, and in the cast or back stage crew of one three-act play.

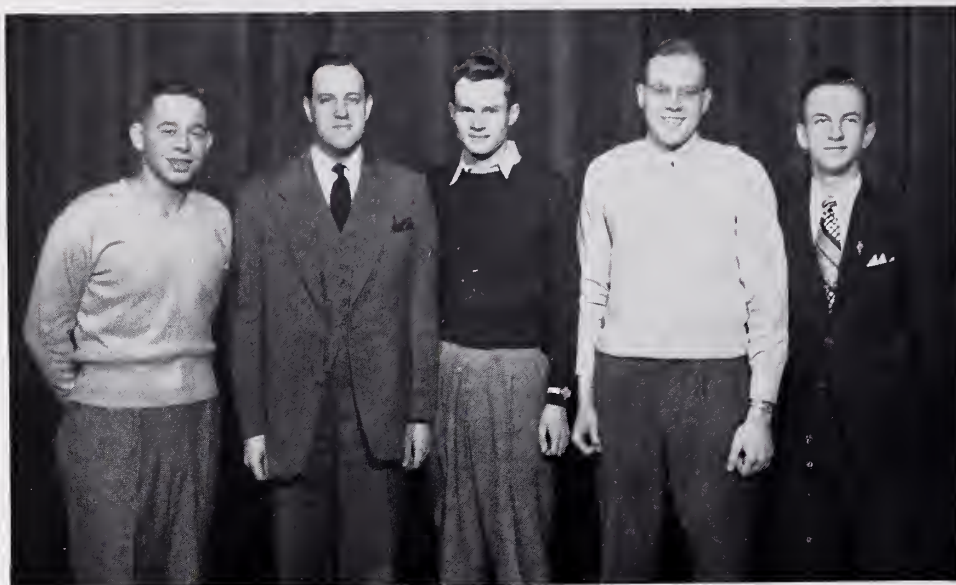

The president this year was Charles Sites and Professor Oliver continued in his position as advisor.

The primary function of Alpha Psi Omega is to stimulate interest in dramatic art, and to provide an honor society for those excelling in that

field. Any regularly enrolled college student is eligible if he or she maintains a scholarship average of 1.5. Activity in play production as a costumer, stage manager, scene designer, electric technician, property man, business manager or scenery executor is also required of initiates.

Delta Epsilon is the largest dramatic fraternity in existence.

The fraternity holds monthly meetings at which time play reviews are presented and discussed. Producing and acting techniques also play an important part in the program, and the aim of the organization is to improve the poise and assurance of the members, and to install in them a deeper appreciation of the dramatic arts.

St. Angelo, Professor Alexander, Truckenbrod, Will, Kortemeier.

Pi Kappa Delta

Pi Kappa Delta is the strongest National Forensic Fraternity in the United States, being composed of over one hundred-fifty chapters. North Central's chapter, Iota, is a member of the largest province of the fraternity, the province of Illinois.

In order to gain admission to this select group of fast talkers, a student must participate in debate for one year, and moreover be victorious in over one-half of the debates which he enters. Honors for extemporaneous speaking and oratory are important and coveted. All members are permitted to wear the honorary key, with different

jewels indicating the degree of proficiency the wearer has reached. These degrees are four in number, being first, fraternity degree; second, degree of proficiency; third, degree of honor; and fourth, the degree of special distinction.

This year's club at North Central as an organization has been as active as clubs of previous years, and the members have taken part in numerous inter-collegiate debates and public oratorical contests with the usual success the Forensic Department enjoys under the capable and untiring leadership of Professor Guy Eugene Oliver.

Sigma Rho Gamma

If some Thursday night around Pfeiffer Hall you should see a youthful Mozart munching cookies and drinking a coke, or hear some tune like Three Blind Mice, have no fear, for Sigma Rho is just holding one of its monthly meetings.

Sigma Rho Gamma, North Central's chapter of an honorary music fraternity, which re-organized last year, has completed a very successful and enjoyable term under the capable guidance of its sponsors, Prof. Luntz and Miss Schell.

Its membership consists of students who are majoring in music and are enrolled in the college and the school of music.

The purpose of the organization is to encourage the appreciation of good music by sponsoring at least one public performance a year bringing outside talent before the group whenever possible and giving members experience in public performance. This organization tries to give musically interested students a chance to get together and enjoy an evening hearing records or gaining new ideas concerning a new phase of music. Several trips to hear Pop Concerts in Chicago were arranged besides the interesting monthly meetings.

Band

Every Monday and Wednesday at 4:00 o'clock a large number of musical instruments accompanied by their owners, march on to the Pfeiffer stage. When the harmonious notes issue forth, all of North Central is aware that they have a band . . . a band worth listening to. Directed by Lauritz Blorlie, the band began its season the first week of school by adding an important element . . . and happy confusion . . . to the Torchlight Parade. They led the school mentally as well as physically.

Recruiting new members into its fold, the band marched on to give its first chapel program on Armistice Day. Theory playing was declared a success and the band continued to plan new and better programs. In the meantime, they supported

the College Conference of Illinois Cardinal Football Champions. Between halves, their marching and playing encouraged and inspired the team to victory. Sporting new red and gray uniforms, the band helped the cheerleaders in their cheers at the basketball games and the pep meetings.

The chapel program presented by the band was one of the most enjoyable of the year. The program included, "March Lorraine" by Ganne, "Selection of Jerome Kern Songs" arranged by Christiansen, and many more delightful numbers.

Consisting of forty-seven members the band is still looking for new music enthusiasts. Help develop your talents by joining the new . . . bigger . . . better NORTH CENTRAL BAND.

Orchestra

Every year in the fall a number of students interested in instrumental work join together to form North Central's all-school orchestra. Membership consists of students of the music school who are attempting to broaden their musical education, and college students who join because of sheer love for music.

This year's orchestra was quite large as can be

seen by the picture, and seemed to be musically very well balanced. It owed its success to its competent director, Lauritz Blorlie.

The orchestra played at the Freshman reception and furnished the music for the afternoon program on College Day. The orchestra like the band would like more members so develop yours by playing in the orchestra.

Music

Music? Yes; three ambitious groups of young men and women practice to present various programs during the school year for the fine entertainment of all. These three musically inspired groups are namely the Women's Glee Club, Men's Glee Club and Chapel choir, comprising of over two hundred of NCC's student body.

The women's Glee Club under the capable direction of Miss Wilma Schell participated in several

concerts this past year here on campus and out of town. The girls guided by Miss Schell traveled to the windy city this Spring to vocalize for the Chicago Sunday Evening Club in Orchestra Hall. To top this year's events was the organizations Spring trip to various churches in Illinois and Wisconsin. Certainly the girls should receive all credit due to them for their excellent Spring concert and combined Christmas concert and other programs.

spring the men presented their annual Spring concert to an enthusiastic audience. Combined with the Women's Glee Club the organization gave a colorful chapel program. The program was in the form of a candlelight service typical of the festive season.

Chapel choir consisting of over one hundred voices takes an active part in most of the chapel programs giving a worshipful atmosphere to the religious services. The chorus has sung for various

as small as the weekly chapel services. Musically enthusiastic students devote many extra hours for presentation of concerts, besides these choral groups the school of music offers many courses in the study of music such as: Harmony, History of Music, Choral and Orchestra conducting, instrumental and voice lessons which are all taught by an efficient staff of music professors.

"Woe Week"

This year . . . something new and different . . . just look at the conglomeration that resulted from the three-day torture that the upper classmen brought on the Frosh. Clothes worn like they have never been worn before . . . skirts upside down, plaids and stripes and of all things, men adorning feminine attire. That's what comes from being a FRESHMAN.

College Day

College Day on North Central's campus has come to be only second to Homecoming in importance as a day of celebration. It is instituted at a time when prospective new students and friends of the college may come to Naperville to inspect the school and its various departments. Extensive exhibits in all departments are displayed on this memorable day, which always comes the first or second week in May.

When college day itself dawned, visitors were on the go from the early flag-raising to the senior play. The morning program featured the annual dress review by the clothing department of the college to a musical background, the styles fitting the musical mood. Following this fine exhibition, the presentation of the Cardinal and the dedication of the Spectrum took place.

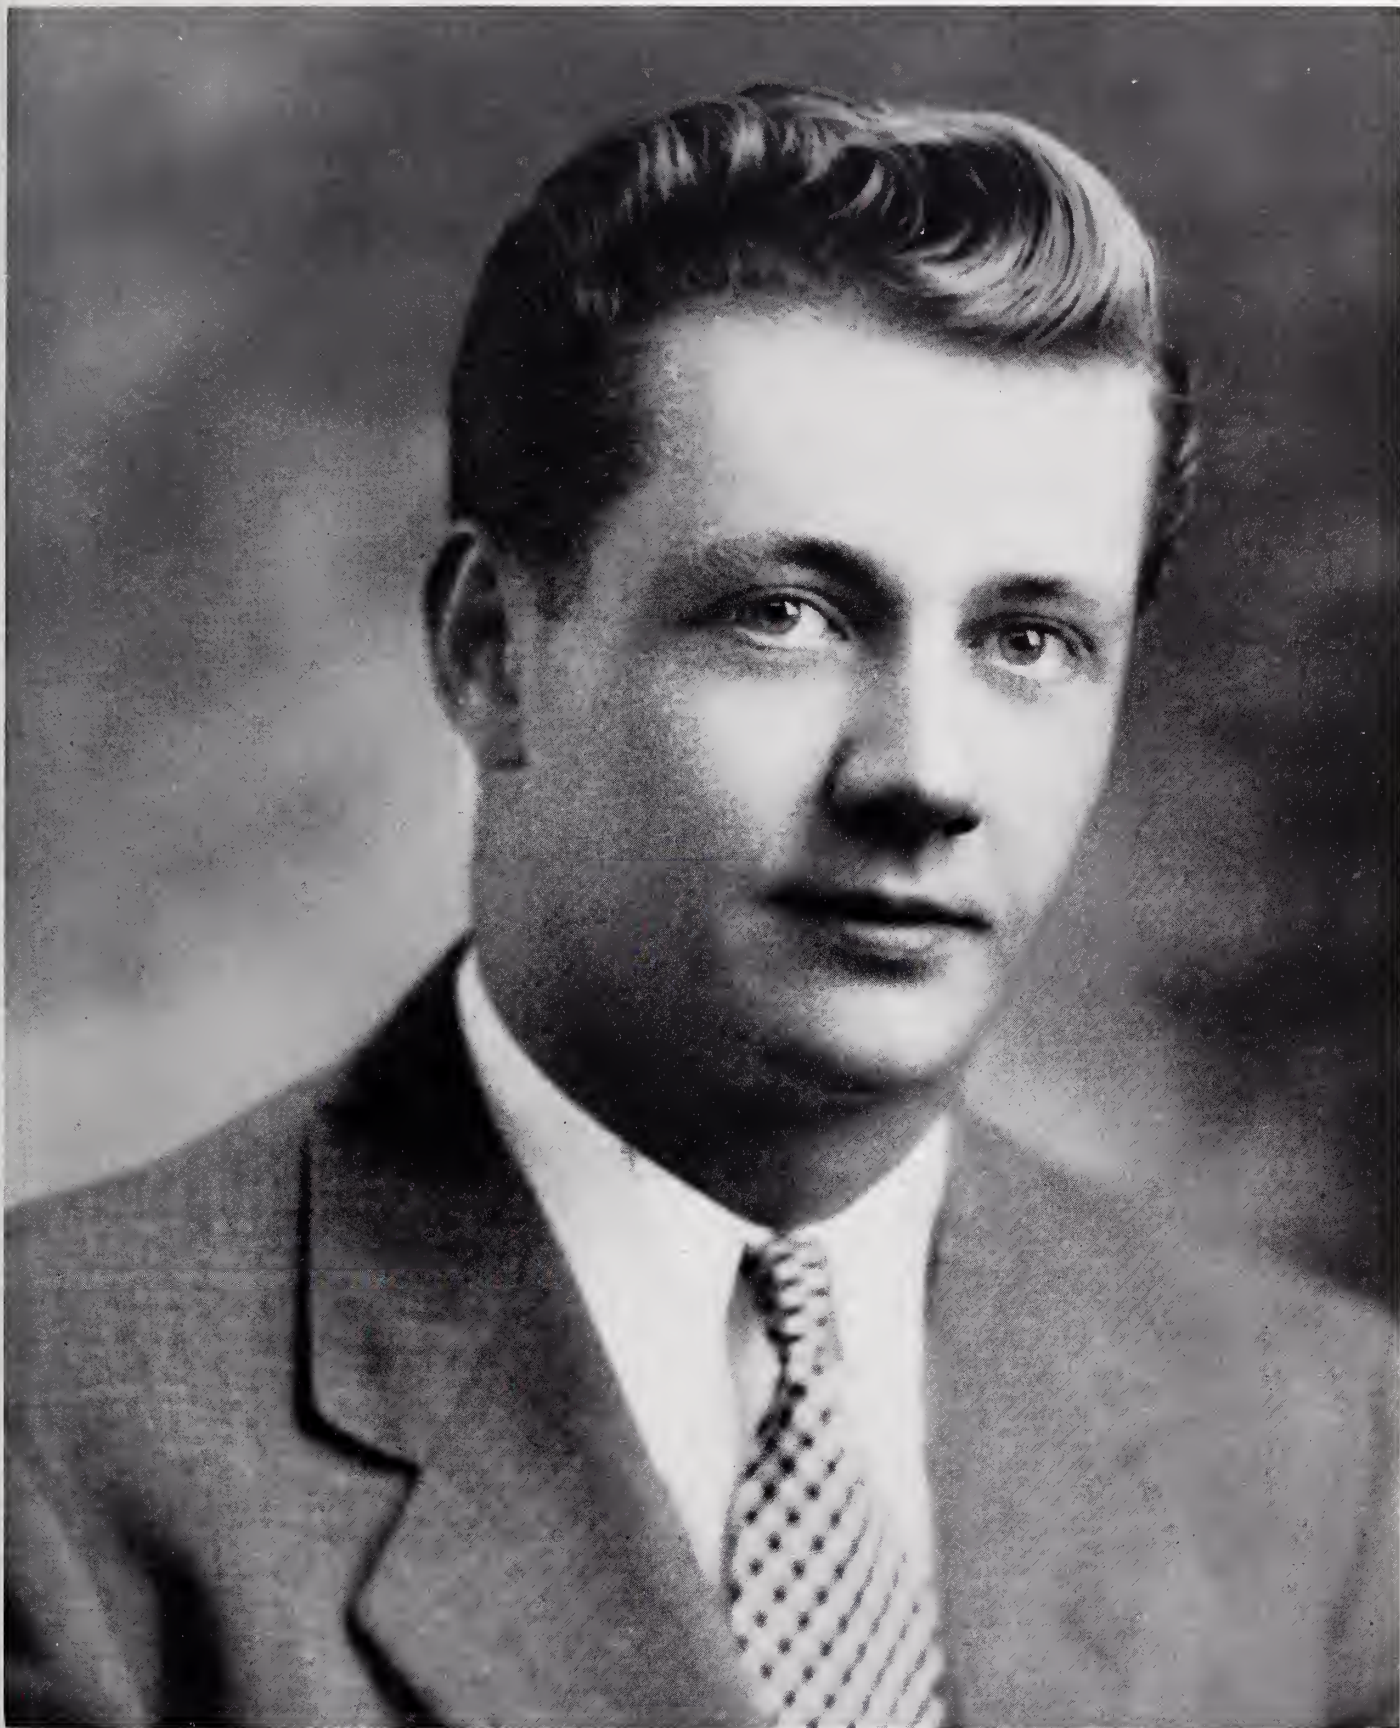

The afternoon program featured an exhibition of ball playing between Lake Forest and North Central, and also the traditional May Fete. The day was climaxed by the senior class and their presentation of the senior play; which brought the day to a joyous ending.

WOMEN'S ADVISORY BOARD

A new organization on campus is the Women's Advisory board which consists of members from the various classes. This board has arranged various afternoon chats for the women on NCC-s campus. These chats consisting of talks on what the best dressed college women will wear and the different types of make-up. All in all it has been very helpful to the students on campus.

Athletic Board

Athletics at North Central offers every student equal opportunities to make the varsity teams. For those not that fortunate, intramural programs are arranged which cover the entire school year with a complete program. Intercollegiate athletics at North Central has developed until this school is now recognized as one of the formidable opponents in the Illinois Collegiate Conference.

The people who make this possible are: Gus Arlen, track coach, Don Rhodes, swimming coach, Chuck Evert, tennis Coach, Miss C. Tanner director of women's athletics, Herb Heilman, football and baseball coach and Lester Belding

director of men's athletics and coach of the basketball team. To these people we say thanks for a job well done.

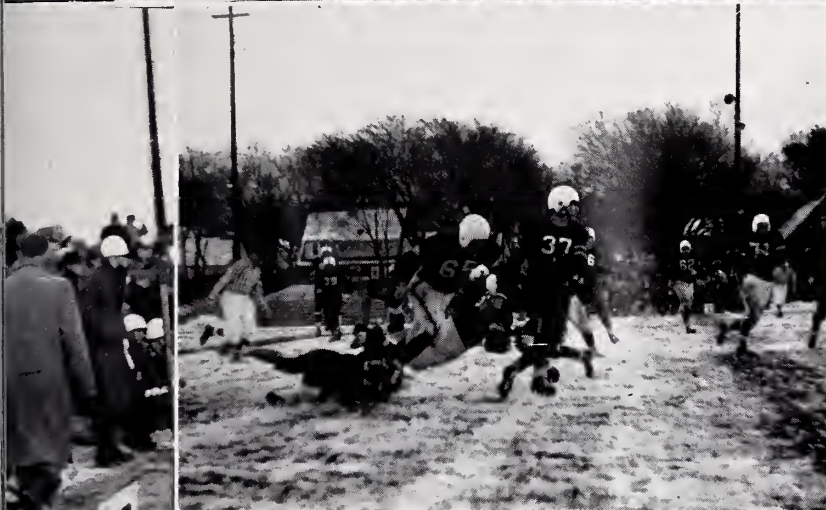

To the Athletic Board which is the governing body of all intercollegiate athletics at NCC, we also say thanks because it is this board that arranges schedules, determines budgets for each sport, keeps close check upon income and expense, and awards letters to men and women who have met the requirements athletically and scholastically. This year the board consists of: Dick Smith, Charlotte Queen, Warren Otto, Miss Tanner, Doc. Hower, Coach Belding.

Corn Bowl Game

The Fall of 1947 was a year for big things as far as the Cardinal football team was concerned. Having completed a conference winning season with seven wins and one loss, N.C.C. was invited to play in the primary Corn Bowl Classic. This contest is to be an annual affair sponsored by the Hybred Corn Breeder's Association and the American Legion of Bloomington.

The game was played on Thanksgiving Day. It had snowed all morning leaving the field covered with a blanket of snow. The sun came out in the afternoon, but the temperature remained below freezing causing a lot of fumbles by both team.

The game was an exciting affair that helped the 5,500 shivering fans to keep warm. The Cardinals fell in defeat to Southern Illinois University in this post season contest, 21-8.

Winning their second straight College Conference of Illinois championship the CARDINAL eleven thrilled Kroehler Field crowds with their speed, power and brilliant defensive play. Under the expert direction of Coach HERB HEILMAN, the football team racked up a season record of seven wins and two losses. An invitation to the first annual Corn Bowl Game held in Bloomington on Thanksgiving Day was a fitting climax for the 1947 squad.

Opening the grid season against Illinois Wesleyan the Cardinal football machine roared into high gear as they smothered the Titans. In the second quarter scat-back Lenny Burch scored the first touch down of the season. Benedetti intercepted a pass on the WU 30-yard line and raced unmolested into the end zone for the second score. After a long downfield march, Burch scored again and Tilden's kick for the extra point split the uprights making the score 19-0. The Titans scored in the closing minutes to make the final score 19-6.

ROW 3: Kadayama, Wehrlei, Lind, Skarin, Rumsfeld, Theuer, Meyer, Lukas, Patterson, Burch, H. Heilman.
 ROW 2: L. Belding, Miller (MGR) McCoy, Prescott, Burt, Hoffman, Will, Sovereign, Keiserg, D. Kouri, Fenner (MGR),
 ROW 1: Somerk, Haumersen, Cross, Fredenhagen, Wright, Smith, K. Kouri, Benneditti, Solaski, Wolgast, Tilden.

Appearing before the home crowd for the first time the Cards put on a brilliant second half offensive show as they rolled over Milliken. Trailing 6-0 at the end of the first half the picture looked dark to the loyal Card rooters. However an inspired team took over the field in the third stanza and before the opposition had a chance to recover they had pushed over three quick touchdowns. The Big Blue was stunned by the initial blow and the Cards had no trouble in

adding two more touchdowns in the fourth quarter making the final :32-6.

Taking their single wing, T-Formation, and double reverses with them to Illinois College the squad continued to dazzle their opponents. Playing for the first time under the lights, it didn't take long before NCC unleashed it's Herculean power. Captain Dick Smith intercepted a blue Boy pass to set up the first marker.

Tilden's pass to Burch was good and the kick for the extra point made it 7-0. Midway in the second quarter Tilden kicked a 20 yard field goal to put the Cards out in front. The Redbirds line throttled the Blue Boys in the second half as Kouri and Burch each scored. Glenn Frank connected with Kouri in the closing seconds to make the final 30-7.

Before 4,000 Homecoming spectators Heilman's team drained Lake Forest. Avenging the 10-7 setback they had been handed the previous

year by the Jay birds, the Red Birds lost no time in making it uncomfortable for the visitors. Tilden notched the first score in the second period. NCC's forward wall found themselves spending most of the time in the Lake Forest's backfield. Prescott snared a Jay Bird pass and raced into the end zone. Tilden successfully converted giving the Cards a 13-0 advantage. Capitalizing on a NCC fumble, the Gold Coasters recovered and pushed across the final marker making the score: 13-6.

Moving over to Elmhurst the Cardinals continued their winning ways by spoiling the Blue Jay's homecoming. Leading the massacre were Tilden, Ken Kouri, and Sarge Wright. Not once did Elmhurst manage to get in the game as the NCC line held like a brick wall. The final count: 39-0.

The traditional battle between North Central and Wheaton started with both teams undefeated and each with an eye on the Little Nine Conference championship. Wheaton got away at an early start. Recovering a loose ball in the Cardinal backfield it took only six plays for the Crusaders to score. Their hard-hitting backfield tore through the stalwart Cardinal line. Late in the second quarter a Wheaton fumble enabled the Cards to set up a scoring play. Tilden carried the ball into the end zone on a quarterback sneak. The kick was good and the score stood North Central 7, Wheaton 6. The second half pitted the strong CARDINAL line, anchored by Haumersen and Smith, against the rampaging Wheaton backfield. Neither team was able to score again and the game ended with North Central in possession of the BRASS BELL, symbol of football supremacy between the two schools. The final: 7-6.

Glenview Naval Air Station furnished a wet field and a cold day, but no competition and NCC's gridders had a field day racking up their largest count of the year. Kouri, Fredenhagen and Wehrli spearheaded the attack that was climaxed by Glenn Frank's 42 yard touchdown run after he had intercepted a Glenview pass. The final 42-7.

Muddy Kroehler Field was the scene of the Cardinals tilt with Carthage. Fredenhagen's plunge from the four yard line gave the Cards a 6-0 advantage. Carthage recovered a NCC error on the 23 and four plays later a pass into the end zone knotted the score at 6-6. Slowed down by the muddy field both clubs took to the air in the second half. After a long downfield march Carthage once again crashed the golden gate for six more points. Although the Cards had gained more yardage, their eleven game winning streak was terminated by the narrow margin of six points. The final: 12-6.

North Central's first venture in a post season classic took place on Thanksgiving Day in the Corn Bowl where the Cards met the Maroons from the Southern Illinois University. Performing with speed and precision the Redbirds were unable to match the power of the opposing eleven. Haumersen's recovery of an SIU fumble on the 28 yard line gave the Cards their only opportunity for scoring. The rest of the play was dominated by the Maroons who pushed across three touchdowns and added the extra points to make the final 21-0.

Six members of North Central's championship team were selected on the Little Nine All-Conference football team. Leading the team was Captain Dick Smith, end; Norrie Cross, center; Dick Haumersen, guard; Lee Skarin, Tackle; Dick Somerk, guard; were also chosen from the rugged Cardinal line. Representing the North Central backfield on the all-conference team was the Cards signal caller, Ted Tilden.

Plagued by sickness and ineligibility, the CARDINAL basketball team, picked by pre-season dopesters to win the Little Nine crown, was destined to have just an average season.

Bright spots in the otherwise dull campaign were forward Carl Zager's accurate shooting and guard Dick Smith's brilliant defensive play. Bud Berger's tricky dribbling and Ed Zager's jump shot were always spectacles to witness. Two freshmen from Elkhart, Indiana, Leo Hoffman and Bob Weldy promise to make future season's brighter.

ROW 3: Harper, Brown, Lubach, Voss, Anderson, Diekvoss, Claus, Walters, Hieber.

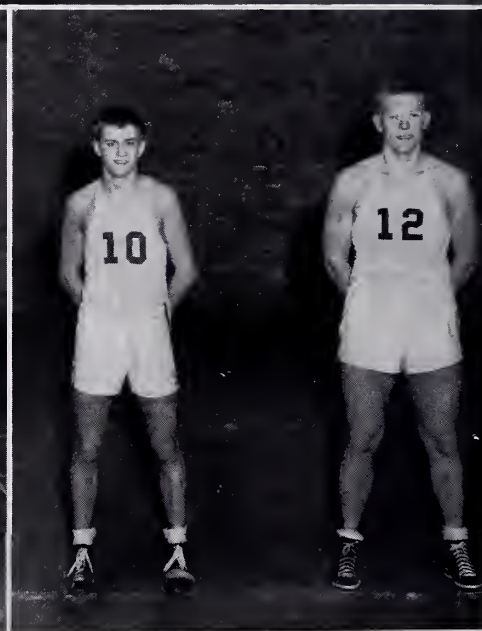

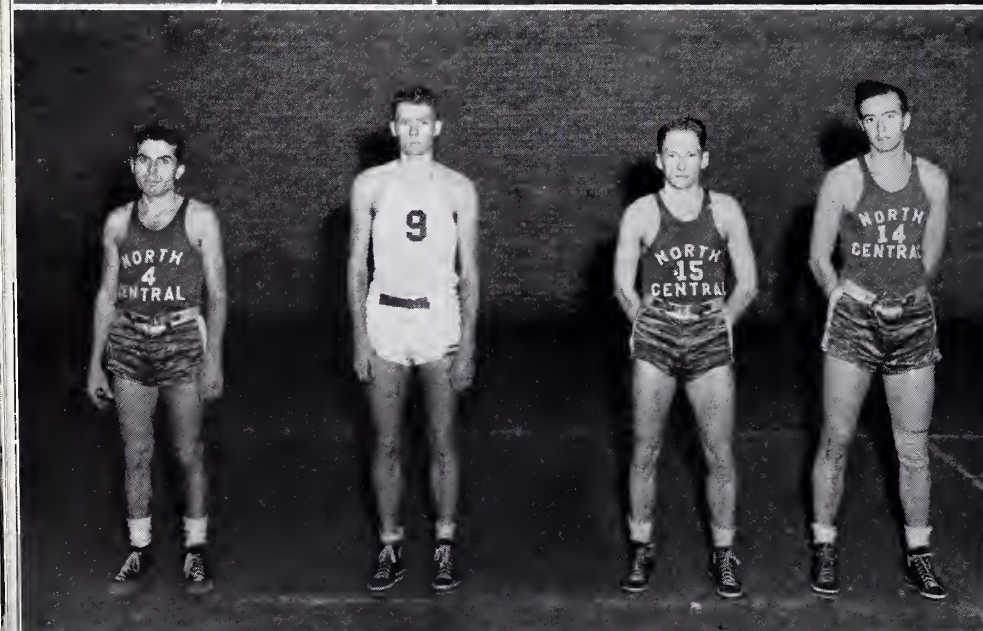

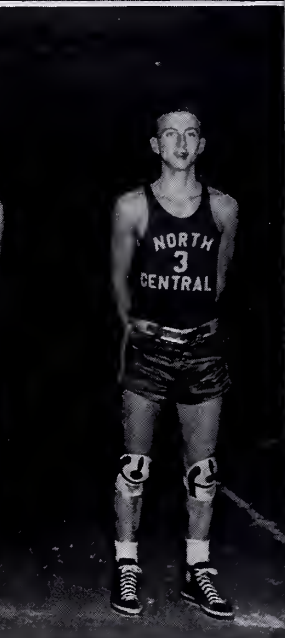

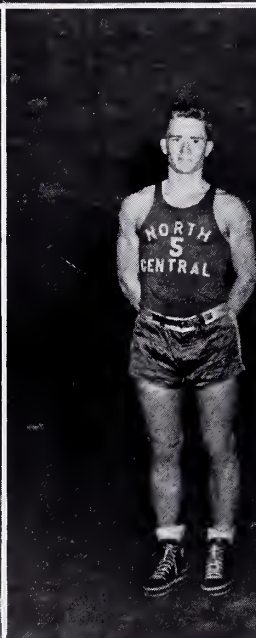

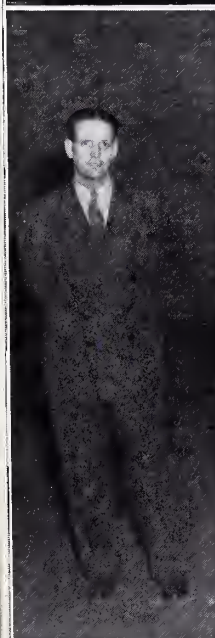

ROW 2: Elliott (mgr) Kersting, J. Berger, Lehker, Stevens, Geier, Haebech, Coach Belding.

ROW 1: C. Zager, L. Berger, Hoffman, E. Zager, Weldy, Smith, Spivak.

In compiling a season record of ten victories and nine defeats, the Cards scored 954 points on 349 field goals and 258 free throws. In conference competition the Redbird basketballers broke even winning five and dropping five. This gave them a third place tie with Elmhurst.

Individual scoring honors were taken by Carl Zager, who accounted for 220 points. These were made on 87 baskets and 46 gift shots.

Opening the season on the home court against the University of Chicago, the Cardinal quintet lost no time in rolling up an impressive 20-0 first quarter lead. Carl Zager collected ten points to pace the team in their 43-21 conquest of the Maroons.

Losing their eye for the basket against Elmhurst the cagers dropped their first game 54-43. Carl Zager led the Cardinal attack with 16 points and Captain Ed. Zager followed, pushing 11 points through the hoop.

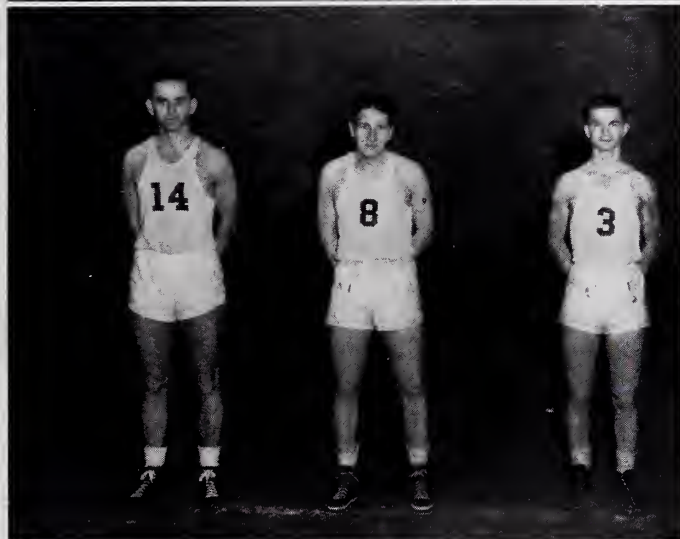

Journeying down to Indiana for a week-end trip, the local five found the Hoosier competition tough as they were outpointed by Indiana Central, 62-46; and Canterbury, 55-51. In the Indiana Central game, guard Dick Smith collected 14 points.

Journeying home the Cards found conditions no better as they lost their fifth straight to Cornell, 54-48. Carl Zager dumped in his first four field goal attempts to start the Redbird off right. However Cornell came back strong in the second half and coasted to victory.

By downing the University of Chicago on the maroon's court, Coach Les Belding's team returned to the win column. Bud Berger paced the attack with 12 points to lead the cagers to a 53-47 victory.

In their first conference game the Redbirds emerged on top of a 42-37 score against Lake Forest. Both teams traded point for point in a bitterly fought contest. Bud Berger led the scoring with 12 points.

At Carthage the Cards ran into trouble again and were unable to keep up with the fast moving Redman. At the final whistle the score was 48-39 in Carthage's favor. Continuing their tour of Illinois the Card Cage Crew stopped in Bloomington long enough to give Illinois Wesleyan a 50-47 shellacking. Trailing at the half 24-23, it wasn't long before Bob Bartlett and Carl Zager started hitting, starting the Redbirds on the road to victory. Carl Zager took scoring honors with 15 points.

Coach Belding's squad got hot and trounced Carroll on the Merner court by the lop-sided score of 61-44. Dick Smith led the scoring parade with 15 points and was followed by Carl Zager who had 12.

Albion was next on the schedule. The Cards gave the visitors the same treatment they had given to Carroll the week before. This time the Redbirds chalked up a 65-46 count. Carl Zager's 15 points topped the list. Dick Smith had 14 and Leo Hoffman and Bud Berger each had 12 points.

In registering their fourth victory the rejuvenated cagers stunned Illinois College with a 57-53 setback. This exciting clash kept the fans on the edge of their seats while each team let the lead see-saw between them. With 19 points Carl Zager again was high point man.

A scant one point margin was enough to give Millikin a 44-43 victory over the Cards three nights later. In spite of the desperate last minute rally the Cards staged, which brought them within a hair-breadth of victory, Millikin came out on top. With this crucial game under their belts the Big Blue went on to win the conference championship.

By outscoring Lake Forest 55-35, the Cardinal quintet added another conference opponent to their victim list. Bud Berger had 16 points and

Bob Weldy collected 15, eight of which he scored in the last six minutes of play.

The jinx that Coach Belding had been able to hold on Wheaton expired as the Crusaders won 60-49 on their own court. At the half NCC held a 27-26 advantage. Carl Zager's 19 points were the only cheerful note at the end of the game.

Avenging an earlier set-back, the Cards roared over Elmhurst 63-42 on the Merner Floor. Bud Berger led the scorers with 19 points.

Augustana's Viking squeaked past the Cardinal's 49-45 as their star forward racked up 31 points. Carl Zager collected 16.

North Central piled up its highest score of the year as they smothered Carroll 70-52 at Waukeasha. The half time score was 30-26 in favor of the Redbirds. John Berger tallied 18 points and Dick Smith totaled 16.

In the final game the visiting Wheaton squad downed the Cardinals 55-33 before the largest Merner crowd of the season. Wheaton's height was the deciding factor as these two teams ended hostilities 'til another year.

Hats off to Bud Berger who made honorable mention on the little nine conference team.

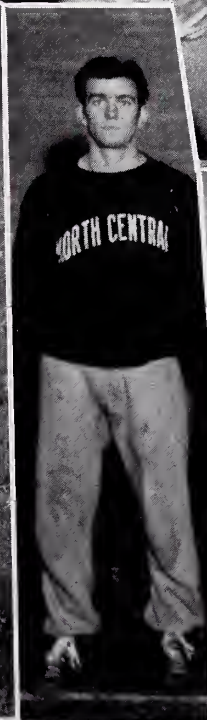

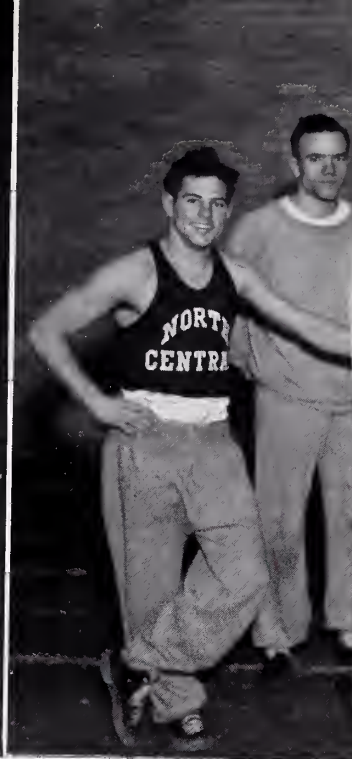

Track

Although the outdoor track season has not opened at this writing the indoor track season is neatly tucked away in the North Central record book.

Coach Gus Arlen's performers breezed through a stiff-meet schedule with only one defeat, a 57 5/6-51 5/6 setback at the hands of Loyola. They scored perfect victories, 79 over Morton Junior College 48, Elmhurst 43, La Grange 16, and 74-30 over DePaul.

The indoor track and field squad competed in the Midwest track meet taking third place, losing however the Relays crown.

1948 Invitational

Saturday, March, 6, saw North Central's fieldhouse in all its athletic glory because it was the time of the invitational track meet. Twenty-six schools participated in the events of the day . . . with Wheaton taking the meet with $67\frac{1}{2}$ points, Grinnell $33\frac{1}{2}$, and North Central 28 points. Capture of the individual trophy by "Tex" Hoesch, North Central's captain was the bright occurrence in the local camp. The lanky distance runner won the mile event and chalked up a second in the two mile grind. In the events: Shot put Anderson took fifth, Broad jump Hass Second, Two mile relay NCC fifth, 60-yard dash Prescott second, 12 lap relay NCC fifth, 8-11's mile relay NCC third.

ROW 2: Rhodes, Wright, Jelenek, Hodkin, Klein, Thede, Ferch.

ROW 1: Gattshall, Kindschi, Ishii, Schaeffer, Baker, Larson, Wayne Larson, Giere, Kadoyama, Beyler.

SEATED IN FRONT: DeMott and Fenner.

Cardinal Tankmen, under the guidance of coach "Dusty" Rhodes, dropped their first meet of the season to Beloit College 63-21 January 9. Captain Ward Larson and Jim Ferch tied for high point honors among North Central's swimmers, each gathering four points.

Another loss occurred when NCC was trounced by Wright J. C. 55-20. Individuals showing fine form, were Al Beyler and Ed Giere. Beyler's diving took the only first place for NCC and Giere placing in two events.

The next meet, held at Wesleyan's pool in Bloomington, found the Card tankmen suffered a close decision. The home team edged out a 34-32 win over our boys, Giere and Ferch counted for $6\frac{3}{4}$ points with Cap't. Ward Larson contributing six points.

Bradley University took advantage of our remaining $\frac{2}{3}$ of a team and gave us only 16 points while keeping 59 for themselves. Beyler again took diving honors and he was supported with two second places, one each from Ward Larson and Jim Ferch.

The dual meet competition was ended with a 53-14 loss to Augustana at their pool. Schaeffer acquired a first place while Beyler and Baker each pushed through a second place.

In the annual conference swimming meet, Augustana easily took top honors with 53 points. Our representatives were kept from second place by one point, as Illinois Wesleyan gathered 25 to North Central's 24. Four second places; Beyler Gattshall, Ferch and the 440 relay team; was the best we could muster. The tankmen did their best and although the season was unsuccessful we still can be proud of them for trying.

Golf

After starting the season slow North Central's 1947 golf team got down to business and shot near par golf.

Captain Don Darfler lead the squad to a season record of three victories and three defeats. Lake Forest, Beloit and Illinois Tech edged the Card golfers in the first three meets. Then Prof. White's team got the strokes down and edged DeKalb $7\frac{1}{2}$ - $4\frac{1}{2}$, Scoring a decisive triumph over the previously undefeated Lake Forest, the Cards went on to win their final match with DeKalb by the near perfect score of $11\frac{1}{2}$ - $\frac{1}{2}$.

Placing behind Lake Forest and Millikin in the conference meet . . . held at Rock Island, the Cards concluded their season. Individual scoring honors were taken by Wilbur Waggoner whose whose 148 for 36 holes gave him second place in the conference. Other members of the team were Herb Keils and "Dutch" Schultz, and Bill Sollenberger.

Our year at NCC is not complete until we've heard the ringing tune of "Take me out to the Ball Game" and have seen coach Herb Heilman and his battling heroes of the diamond. Evidence to prove that baseball is North Central's favorite Spring Sport is shown by the number of men that turn out every afternoon for a spirited two hours of battling practice and fly-catching.

North Central had a favorable season of five wins, one tie, and three losses, but best of all was the terrific score we won by from Wheaton, 10-2 and 16-5.

Tennis

In the Spring of 1947 the tennis squad enjoyed a very successful season. The team had a twelve game schedule under the direction of coach-player Chuck Evert. The team, consisting of Evert, Haas, Kersting, Tholin Keil, and Katz, started off with a victory over Elmhurst to the tune of 6-0. After this victory NCC went on to defeat George Williams, 6-0; Beloit, 5-4; Augustana, 6-3; and Bradley, 9-0. At this point the squad ran into one of its two defeats of the year when it was defeated 8-1 by the University of Chicago. This did not stop the boys from hitting the ball over the net to defeat Wheaton on successive meets 7-1 and 8-0. The next opponents to taste the power of NCC's net kings were Lake Forest 8-1, and Concordia 9-0. NCC then traveled to Beloit to receive its second and final defeat of the season 6-3. The final dual meet was again victorious for the Cardinal Netmen

when they defeated Elmhurst for the second time with a score of 7-0.

NCC's tennis team participated in the Sectional Tournament and took second place to Lake Forest, 6-4. The Conference Meet was held at Augustana and NCC carried off trophy honors to the tune of a first place singles by Chuck Evert and a doubles trophy by Evert and Haas. But unfortunately Augustana garnered more points to take first place.

Final won and lost statistics of the team are:

Varsity Club

The goal of all athletically minded men at North Central is to become a member of the Varsity Club. This fraternity is limited to those who have been awarded letters for excellence in football, basketball, track, tennis or swimming. The club's principle purpose is to hold high the honorable sportsmanlike spirit engendered through participation in these various fields of sports.

Varsity Club this year was composed of about

fifty active members whose efforts were directed to fulfill the purpose of the club—to further the spirit of true sportmanship in the field of inter-collegiate athletics, to secure future athletics, from high schools who will be an asset to the College, and to maintain a unification of athletics with the rest of the school. Projects of the year began with the Invitational Track Meet, March 6, highlighted by the presentation of the Queen, Norine Karris, and her court, who awarded the winners of each event medals.

Cheerleaders

A lot of spirit which has been prevalent at all our sports events this year is due to the very efficient Cardinal cheerleaders, who have functioned time and time again in their red and white outfits.

Given a real workout at Homecoming time, they continued to function throughout the foot-

ball season and were present at every basketball game to arouse school spirit and plenty of pep.

Our cheerleading group this year has included: Paul Stiffler, Allen Hosler, Allen Beyler, Virginia Otto, Gloria Houghton, Virginia Rice, Elffie Soeffker, Carol Simonsen and Gloria Spatharos.

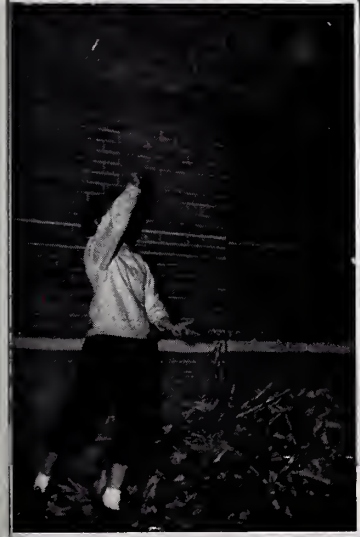

Women's Physical Education

The Women's department of Physical Education boasts a host of activities to attract coeds at North Central. Not only does it give a chance to learn in classes, but also it gives an opportunity to participate in various tournaments sponsored by W.A.A. Tennis, Soccer, Volleyball, Basketball, archery, golf, swimming, bowling, baseball, ping-pong, and badminton are among the many classes and contests held during the school year.

The first tournament held in the fall was soccer. After a fight to the finish the junior class was

named the champions. Tournaments in Volleyball, basketball, archery, tennis, and other sports followed, with the juniors taking volleyball and the sophomores taking basketball.

For each win, points are given to the team or individual, which are accumulated and added up at the end of the year when trophies and awards are given. Women's Physical education department has its social life sponsored by the W.A.A. which includes banquets, hikes to the cabin and play days.

Up in an out-of-the-way corner of the field-house is an inviting room equipped with over-stuffed and not so-stuffed couches and chairs. That's where students belonging to W.A.A. hash over the current tournaments. This organization is governed by the W.A.A. board of control with Miss Tanner as advisor, and it is in this club the girls are interested in playing the game fair and square.

The W.A.A. social calender is well filled with "big events" . . . soon after school opens the freshmen are entertained at a social get together in Nichols Hall where they learn all

about the organization and the sports offered by W.A.A. There was the annual soccer banquet at Mulberry Manor where the awards were given out for last years winners. Other banquets of the year include the Basketball and the initiation. The freshmen and other new members wore pig-tails, plaid shirts and jeans for the occasion. Putting on a hilarious program of playing soccer, volleyball and baseball with jelly beans.

The winners of the different tournaments were, soccer juniors; volleyball juniors; basketball sophomores; Menzal won the tennis tournament with Janet Daw winning the archery tournament.

Tennis

Alfreda Soeffker, Betty Schloerb, Willia Hammond, Allene Ehlers, Carol Simonsen, Monie Gamertsfelder, Miss Tanner

Spring of 1947 found the women's team experiencing a set-back after an undefeated season the previous year. The team met stiff competition in the form of a powerful Chicago Teachers squad but went down fighting to the last match with Wheaton. The team was comprised of Monie Gamertsfelder, Betty Schloerb, Carol Simonsen, Allene Ehlers, and Willie Hammond with Alfreda Soeffker as manager and Miss Tanner as coach. The highlight of each home match came as the manager, Elffie, served oranges for purposes of reviving sunken spirits.

All in-all, the team had fun and its spirit was not broken. The scores totalled:

ROW 1: Marshall, Zaininger, Johnson, Wehrli, Gamertsfelder.

The Women's swimming team has always been an asset to athletics on the campus and this year they were coached by Mrs. Marjorie Walsh. The girls this year have a record to be proud of, by breaking two records, one in the telegraphic meet for the 100 yard relay setting a time of 59.7 the old record stood at 1:02:6 and the other at the University of Chicago meet, for the 75 yard relay setting the time at 52:2 the old record stood at 52:3. The results from the two meets they have had were NCC 40½ and University of Chicago

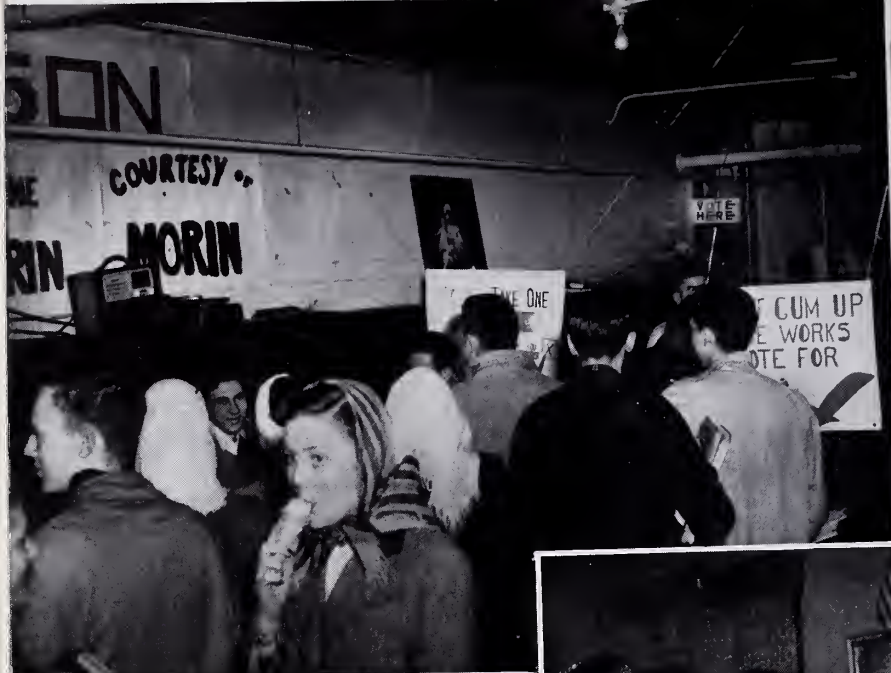

23½ and NCC and 47 and Wheaton 11. They have two other meets scheduled for this semester April 7 with North Park and April 17 with DePaul.

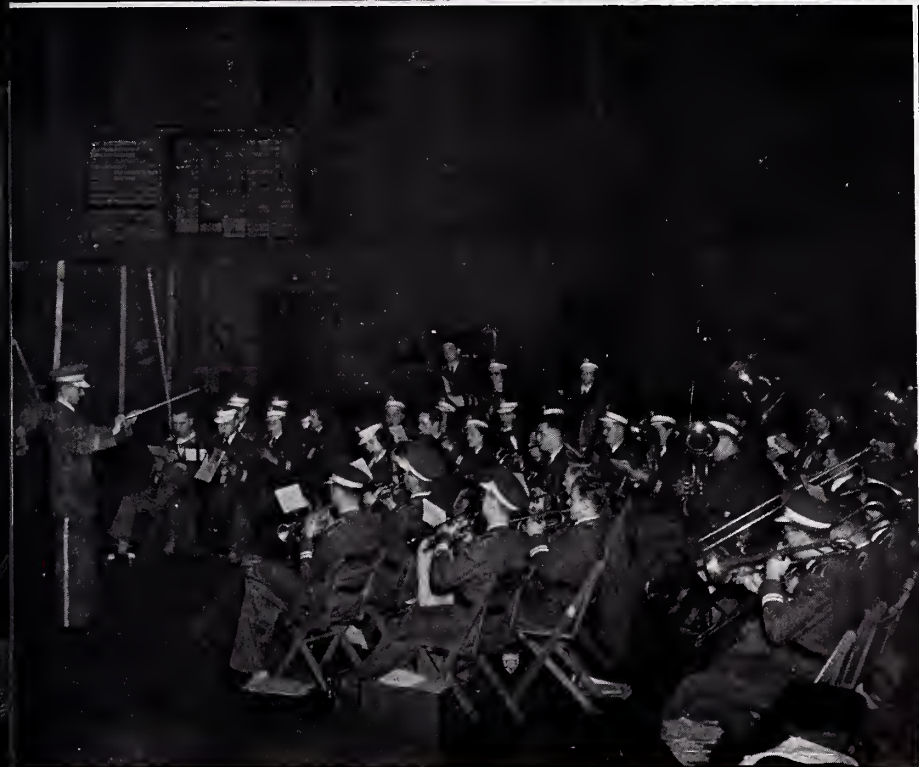

The team consists of JoAnne Johnson, captain, Monie Gamertsfelder, Elaine Schuller, Shirley Roemhild, all letter winners from last year others new on the team this year is June Bilek, Jean Marshall, Fay Knoll, Polly Givler, Shirley Hoffman, Calista Wehrli and Beverly Zaininger.

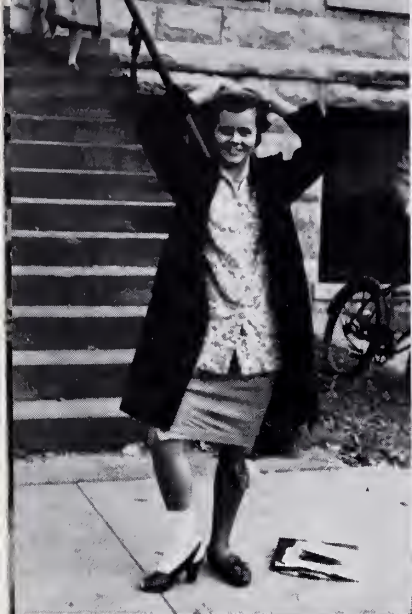

Our Acknowledgment

You have done it! We of the 1948 Spectrum wish to extend our sincere "thank you" to you who have made our publication possible. Professionally we were aided by Mr. Charles Koretke, who took our pictures; Mr. Norman Koenig of Pontiac Engraving Company; Mr. Kase of S. K. Smith Cover Company and Mr. Oliver Rogers from Rogers Printing Company, who put our book into its final form.

Semi-professional work was contributed by the entire staff. Alice Holmes of the Editorial staff and both Richard Harrison and Betty Jane Heuser of the Business staff did a commendable job. To the other people on both staffs, we wish to extend to you our most sincere thanks and words of highest praise for a job well done.

This Modern FLOOR

COMBINES BEAUTY WITH COMFORT, ECONOMY,
AND TIME-DEFYING DURABILITY

Strikingly beautiful floors can be yours when you build or remodel. Specify Thos. Moulding Moultilite, with its array of lustrous, fresh colors, subtly interwoven with crisp, distinct, marble-like veining. The individual tiles can be combined into an endless variety of designs . . . without resorting to costly special fabrication.

Time and hard wear leave no noticeable marks on Moultilite floors, because colors and texture are uniform throughout the thickness of

the material. Costly periodic refinishing is therefore never necessary. Moultilite makes a quiet, foot-safe, foot-friendly floor everyone enjoys. Low in upkeep cost, Moultilite is also surprisingly low in original cost. It is readily installed over existing wood or cement floors, and makes a perfect floor for basements. Write for free samples and complete information to: THOS. MOULDING FLOOR MFG. CO., 165 W. Wacker Drive, Chicago 1, Ill.

Congratulations

to the yearbook staff

for preserving a pictorial record of the school year. We are proud of having played a part in the production of this yearbook and know that you and your alumni will cherish the many memories it retains.

You are to be complimented for your initiative and enthusiasm which has played such an important part in its production. Pontiac craftsmen have tried sincerely to crown your efforts with success by rendering service and quality in the production of the photo-engravings in this book.
